INTRODUCTION TO COMPUTER SCIENCE

COURSE OUTLINE 2023-2024 | Prior-year summary of instruction

Coalinga High School | Instructor: Manuel Chagoyan

Introduction to computer science with JavaScript: objects and events, CSS positioning and animation, CSS Grid, and JavaScript applications, with career exploration and a portfolio as culminating work.

Prior-year summary: the original week-by-week assignment list for 2023-2024 is grouped here into units. Dates are approximate, units overlap, and keyboarding and professional habits recur throughout the year.

Units & sample assignments	Anchor & CA CTE standards	Student learning objectives
01 Developer workspace & routines **Weeks 1-4 | Aug-Sep** VS Code and extensions; server permission form; Terminal folder structures and notes; Astro and Wirecutter directories; Cyberduck and FTP accounts; Mac settings; safety notes.	**Anchor**: 4.0, 6.0, 7.0 **Pathway**: ICT C4.3	Set up and maintain an organized development workspace; navigate files from Terminal; follow safety and publishing agreements.
02 Prototype portfolio **Weeks 3-4, 17 | Aug-Dec** ICS workflow prototype portfolio; upload to online directory (FTP); website logo; web portfolio update; hands-on demo coding.	**Anchor**: 2.0, 4.0, 11.0 **Pathway**: ICT C6.3, C7.5	Build a first portfolio and publish it by FTP; integrate an original logo.
03 JavaScript foundations **Weeks 7-11, 16, 18-19 | Sep-Jan** Objects, properties, and methods; window alert, document write, and document properties; changing properties; events and functions; CodeHS Karel; multiplication tables with for loops; logical operators.	**Anchor**: 5.0 **Pathway**: ICT C4.4, C4.6, C4.7, C4.9	Use objects, methods, events, functions, loops, and logic to produce visible results; trace and revise simple programs.
04 CSS positioning, transitions & animation **Weeks 11-15, 20-23** Media queries and responsive web design; relative and absolute positioning (Marine Life, Fairy Tale, Popsicle, Mickey, Logos); transform; transitions; keyframe animations; JavaScript toggle animation class.	**Anchor**: 4.0, 5.0, 10.0 **Pathway**: ICT C3.3, C6.1, C6.4	Position and animate elements; build scenes with keyframe animation; make layouts responsive.

INTRODUCTION TO COMPUTER SCIENCE

COURSE OUTLINE 2023-2024 | Prior-year summary of instruction

ICS 2023-2024 units 05-07

Units & sample assignments	Anchor & CA CTE standards	Student learning objectives
05 CSS Grid & responsive layout **Weeks 24-28 | Feb-Mar** Grid areas; layouts with flex and grid; CHS website with grid areas; grid areas with media queries; Photoshop layers custom image.	**Anchor**: 4.0, 5.0 **Pathway**: ICT C3.3, C5.4, C6.1	Build responsive layouts with Grid and Flexbox; test across screen widths.
06 JavaScript applications & projects **Weeks 24, 28-36 | Feb-May** Random number and bug generators; Magic Eight Ball parts 1-5; setInterval and time; New York City project customization, pages, and global CSS; Career Skills Challenge - New York City (advanced); hamburger menu and Google Map in JavaScript.	**Anchor**: 5.0, 9.0, 10.0 **Pathway**: ICT C4.7, C4.9, C6.4	Use JavaScript to build interactive features; combine HTML, CSS, and JavaScript in a multi-page project.
07 Career exploration & portfolio completion **Weeks 30-31, 35, 38** Career Portfolio S3A career awareness document; career clusters survey; Work Importance Profiler - My Ideal Job; S3B career exploration document; S3C career plan; feedback form; final portfolio update.	**Anchor**: 2.0, 3.0, 11.0 **Pathway**: ICT C7.5	Research career options and produce accurate career documents; present evidence of technical and professional skills in a portfolio.

Standards key & alignment. Anchor numbers refer to broad California CTE Knowledge and Performance Anchor Standards. ICT C = Software and Systems Development; AME A = Design, Visual, and Media Arts. Listed standards identify relevant instructional connections, including partial coverage; they do not certify mastery of every component.

Sources: California CTE ICT standards and AME standards. This summary was reorganized from the original week-by-week outline. Technology Pathway hub: resources and prior-year instructional records. Actual instruction is documented separately in Google Classroom.
